Hoge Fenton is pleased to present a free educational workshop:

The Perils of Procrastination: 10 Most Common Estate Planning “Mythstakes”

Please be our guest for an engaging, interactive presentation by Hoge Fenton tax and estate planning expert **Lorna J. Drope**. Lorna will address these and other common myths and mistakes people make in planning – or failing to plan – their estates:

- Mythstake No. 1:** “My estate is too small for an estate plan – especially now that my retirement savings have dwindled. Isn’t estate planning for the rich & famous?”
- Mythstake No. 2:** “I trust my daughter; I’ll just give her inheritance to her outright. (There’s no way my crazy son-in-law will have access to my daughter’s inheritance – right?)”
- Mythstake No. 3:** “A trust is a trust. The form I downloaded from the web is just fine!”
- Mythstake No. 4:** “I did an estate plan 10 years ago, so I’m all set.”
