Finally, A Wage & Hour Seminar...It's About Time

Wage and hour law has changed over time (pun intended). Join us for an interactive presentation on the current state of the law, sticky issues, and best practices. We will be facilitating the discussion through real-time voting and polling technology, so please bring your smart phone (or other wifi enabled device). Test your knowledge, rock the vote, and learn how to avoid one of the most dreaded but common types of lawsuits for California employers! Among other issues, we will cover:

- The DOL's amended salary threshold for overtime exemption
- Exempt vs. non-exempt classifications
- Independent contractors vs. employees
- Meal and rest break challenges
- "Off the clock" work
- Class and PAGA (Private Attorney General Act) claims

Who Should Attend

Business owners and managers, CEOs, CFOs, COOs, in-house legal counsel, human resource professionals, trusted advisors, and others responsible for personnel matters.
