### Parking at the Silicon Valley Office

If you have an appointment with someone at Hoge Fenton, you can park in the garage for the 55 South Market Street building. The entrance is on San Pedro, cross street is Post. (Look for the blue sign. There are a few parking entrances on San Pedro.)

Give your name to the garage attendant who will direct you to park on the 2nd floor in an available Hoge Fenton reserved spot # 110 through 119.

Once parked, please take the elevator up to the building's lobby and give your name to the security kiosk. They will give you access to our suite.

There is plenty of free parking available adjacent to the building, including spots designated for Hoge Fenton visitors.

### Parking at the Peninsula Office

There is plenty of free parking available adjacent on both sides of the building.
